231/2, Dibulwala road,  
kattange, kahawatta.

+94740113411/+94702556391

wmnhasindu@gmail.com

## ABOUT ME

As a computer programmer and designer, I think my experience with the technical side could really help in the process of developing software. My goal is to provide programming solutions. So that it could be used in all products and all services and also bring entrepreneurship spirit to the team giving my passion and experience working as a start up."
